## Parents! Santi-Cali-Gon, Overnight, and Upcoming Lockin!

Well we are at the end of summer! Where did it go? We had a great Mission Trip to Mission Arlington and we hope that the kids were able to share their experiences with you. We enjoyed having them share with the church on the Sunday following the trip! Unfortunately, we did go over budget again this year. We knew it would be close. We are about \$1400 in the red. So, more fundraisers to are to come. The youth also did a fantastic job continuing to serve during Santi-Cali-Gon. We gave out well over 5000 cups of water in the name of Jesus Christ. Pat your youth on the back! We are also gearing up for the first Lockin that we've had in many years. Right now, the date is still not set, but stay tuned. The youth will be encouraged to invite some of their friends for this overnight of fun, food, and fellowship. Finally, the boys and girls will be splitting up on October 6 for a guys campout and a girls overnight at the Stephens' house. The guys will be trekking to Iowa for an overnight campout and they will attend church in Darin's hometown.

*Let us know if there is something we can pray for you and your youth about. Call or email us anytime.*
